

Distribution requirements and allowances for NeoSoft products:

- 1) UNregistered versions of this product may NOT be sold by way of shareware rack vending, without prior written permission, and possible compensation.
- 2) UNregistered versions of this product may distributed by CD-ROM so long as NeoSoft is given a copy of the CD for review.
- 3) No files in this product may be removed or modified. Any files added by anyone other than NeoSoft must clearly indicate they are not part of the original product.
- 4) UNregistered versions of this product may be listed and sold by catalog.
- 5) UNregistered versions of this product may be uploaded to BBS's.
- 6) UNregistered versions of this product may be given to friends and associates.
- 7) This product may be sold through commercial channels so long as the full registered version/package is purchased from NeoSoft by the dealer or distributor.
- 8) This product may be bundled with hardware under contract with NeoSoft.
- 9) NeoSoft retains all copyrights to it's products other than those expressly given in this document.
